- **Are you preparing for the [Green Associate](#), [BD+C](#) or [O+M](#) exams?**
If so, try their best-in-class online practice exams **free of charge!**

The practice exams will help you increase your understanding of exam objectives, gauge your readiness to pass the real exam, and help you become familiar with the actual exam format.

Green Ideas online practice exams are so comprehensive that people using them to prepare for their accreditation exam will feel confident that they can pass their exams on the *first try*.

- **Do you already have a LEED credential you need to maintain?**
Take advantage of their free offer to take the [1.5 hour online CE Course](#) about Energy Modeling, that is pre-approved by GBCI.
